MESSAGE FROM THE CHAIR 2026

So here we all are again! We welcome back friends, Sponsors, Patrons, past players, visitors, and new players onto the hallowed turf of Framlingham College.

This is my first year in the 'umpires' seat' and of course, I again on behalf of everyone, thank Jeremy Scowsill for his stewardship of the Tournament over a decade. Together with all the Committee, his tenure has seen it grow in stature and professionalism with a clear focus on setting out long term goals and achievements. In particular achieving the accolade from the LTA in 2023 as the best 'National Competition of the Year' about sums it up. Indeed, Jeremy's outstanding contribution has been recognised nationally, having been named a National Finalist for the LTA President's Award in the 2026 LTA Awards. On a personal note, I thank him for his help in the transition (... except the bit where he said 'it's easy – it runs itself'). And to recall the phrase 'behind every great man' a thank you to Julia for her huge contribution.

Now for a few well-deserved mentions for other Committee stalwarts stepping down after so many years of wonderful 'service'. So, in no particular order.... Chris Haird our treasurer has been immense in managing the finances, governance, and charity status for eleven years. Apparently, he will not miss stuffing 250 envelopes with prize money, but I personally think he will. Thanks to Sally his wife, who is also very much behind the scene. Chris and Fay Clarke, have been a bedrock of support over so many years, Patrons lunches, omni-present in the Tournament week and luckily for us all, never too far from a microphone. Iain Jamie who has also 'served' the Tournament across a number of headings particularly Sponsors coordination and getting projects done. Finally, a special mention to Sarah Leach, who has managed the 57 trophy cups all these years with the support of Steve Leach. They deserve just as much applause as the winners, and perhaps a trophy of their own too! Please do thank them in the week.

We also welcome back the officials for the week, who come from far and wide to ensure fair play and accuracy. Thanks also extend to the ground staff, who weave a complex range of duties to prepare the courts, and to our catering team, whose hard work keeps players, officials, volunteers and spectators refreshed throughout the week.

Lastly, to my Committee members and media team, thank you for your help.

All that's left to say is Play!

Billy Richmond
Chair

NOTICES AND OTHER ACTIVITIES

The Running of the Tournament

Once again, we are delighted to have secured the services of John Bruley as our referee. Many of you will already know of John from his refereeing around the circuit and we are very fortunate to have such an experienced referee to run the Tournament this week.

Predominantly White Clothing

You are reminded that the Terms and Conditions of Entry require you to wear **RECOGNISED TENNIS CLOTHING** comprising predominantly white sleeved tops with white or coloured shorts/skirts. Tracksuits must be removed after the warm-up and before play starts, unless otherwise agreed by the referee.

ITF approved Tennis Balls will be used throughout the Tournament

Trophies and Cups

With the exception of the Open and Suffolk Singles cups which will be displayed at the College, we do allow our winners to retain the trophy for a year and we will ask you to sign for it after the presentation. By signing, you acknowledge safe receipt and undertake to return the cup, cleaned, and engraved to the Control Desk the following year as early in the week as possible.

First Aid and Physiotherapy

If you are injured, James Leathers LTA Physio will be available throughout the week as our First Aid responder. He will also be available for any Physio requirements, both on and off court. Please ask for James at the Control Desk.

Swimming Pool

The Swimming Pool will be available for use at various times throughout the week. Please ask at the Welcome Tent.

The Patrons and Sponsors

Without the enthusiastic support of those who contribute so much to the Tournament in financial terms we could not exist. If you are not a Patron or Sponsor and would like to be please contact me or our Treasurer, Chris Haird.

Sports Equipment Available on Site

A range of equipment and clothing is available on site from Top Spin Tennis. As in previous years they will be providing a full stringing service. There will also be equipment demonstrations during the week.

The Tournament balls can be purchased on site. Please ask at the Control Desk.

Raffle

Please support as always to raise money to keep the Tournament running.

Charitable Status

We would just like to remind you that we are a registered charity. Consequently, gifts and donations may qualify for gift aid relief which gives the Tournament a wonderful boost.

Safeguarding

We take safeguarding of our vulnerable people very seriously throughout the week. Should you yourself feel at risk or should you witness something that you consider to put others at risk, please report this to Richard Daynes, our Welfare Officer. He can be contacted via the Welcome Tent or Control desk.

FRAMLINGHAM TENNIS TOURNAMENT A REGISTERED CHARITY

On 16th January 2018, in our 125th year, Framlingham Tennis Tournament became a Registered Charity.

What have we done?

We became a Charitable Incorporated Organisation (CIO), a relatively new type of Charity structure which is designed specifically for organisations of our size.

You can look us up on the Charity Commission website and our Registered Charity number is **1176689**.

Our official purpose is “the promotion of community participation in healthy participation in healthy recreation in particular but not exclusively by the provision of facilities for tennis Tournaments”. Basically that means we continue to run the second oldest tennis Tournament in the country and encourage the improvement of amateur tennis skills for all players!

Why did we become a charity?

The Committee are a bunch of passionate tennis players who believed that in the 125th year we must celebrate the past and even more importantly secure the future of the Tournament in these turbulent times!

To cut a very long story short, we consulted with many of the players, Patrons, volunteers and advisory businesses who kindly Sponsor the Tournament and together we agreed that becoming a Charity would allow us to:

- Attract and retain more Tournament entrants
- Raise a little more money every year to support the running of the Tournament
- Encourage our special volunteers to get even more involved
- Create a Governance structure that was supportive of our aims

We are determined to keep this fabulous historic family Tournament alive and vibrant!

Was there an impact on the Tournament?

Very little has changed apart from the fact that it is even easier to get involved!

We will still plan, manage and operate the second oldest annual tennis Tournament in the UK, as sanctioned by The Lawn Tennis Association (LTA).

It will continue to open to all tennis players and is organised on a not-for-profit basis with all proceeds reinvested in the Tournament.

Entrance to the grounds to watch the Framlingham tennis Tournament is free! It runs for 6 days from the first Monday of every August.

Naturally, we will continue to review our structure periodically to ensure it meets our goals and actively supports our future.

Complaints

If you are unhappy with any matter in connection with the Tournament, you may raise the matter verbally with the referee. If you are still not satisfied, a written complaint may be lodged with the LTA using the Contact Us Form at <https://www.lta.org.uk/about-us/contact-us/>. The LTA will determine what further action, if any, should be taken, including referring the matter to another party such as a club, County Association or Organising Committee and/or the LTA Disciplinary Officer (to be dealt with in accordance with the LTA's Disciplinary and Dispute Resolution Procedures). For the avoidance of doubt, the results of all matches connected to the complaint will stand in any event.

Official Shout Outs

Scheduling

Match times are fixed by the referee and are not negotiable. All applicants are considered available to play all times throughout the published dates and times of the Tournament. Should you have any valid scheduling requests, please contact the Tournament referee with as much notice as possible. It is each player's responsibility to find out when they are required to play. First match times will usually be sent to players by email. This information will also be published on the LTA Competition Portal as well. If you have not been informed when you are playing within 48 hours of the start of the Tournament, please contact the Tournament referee. If miss your match, you will lose your entry fee and be subject to no show penalties under the LTA Withdrawal Penalty system. During the Tournament, you must not leave the ground without checking if and when you are required to play next.

Liability

All players who enter this Tournament use the venue and compete at their own risk. Neither the Tournament, its officials nor the venue, its staff, management or Committee will be responsible for death, personal injury, or loss of or damage to property whether occurring on the premises or otherwise, other than liability for negligence incurred under English law. If we make a mistake which prevents you from playing or continuing in the Tournament, the maximum amount we shall be liable for is the value of your entry fee.
